Page 12 in the manual of a game "Decathlete" for SEGA Saturn, 1996 is in a foreign language. However, a concise explanation is not required because this non-English citation was cited in a search report by a foreign patent office. In such a situation, the requirement for a concise explanation of relevance is satisfied by submitting an English language version of the search report. Such English language version of the search report is enclosed herewith. (See MPEP, Section 609A(3), pages 600-100 and 600-101, Rev. 1, Feb. 2000). Accordingly, a concise explanation relating to this non-English citation is not required.

Each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing date of this Information Disclosure Statement. Thus this Information Disclosure Statement is being filed within three months of the date (October 2, 2001) of the Japanese Office Action in the counterpart foreign application. Accordingly, this Information Disclosure Statement is being filed prior to issuance of the first Official Action. Therefore, there is no charge for filing this IDS.

Respectfully submitted,
